

ZMX²

ADVANCED

- Zinc: Advanced Gluconate
- Magnesium: Advanced Chelate
- Vitamin B6: Enhanced Bioavailability

Zinc, Magnesium & Vitamin B6

ALLMAX has achieved maximum absorption levels with Next Generation ingredients like P5P (Vitamin B6 in the advanced Pyridoxal-5- Phosphate form) delivering 647%, and ionically- bound Zinc Gluconate at 273%.*

The new ZMX formula exclusively features Magnesium Bisglycinate Chelate, a highly bioavailable and well-tolerated form of magnesium. By removing citrate, we've streamlined the formula to a single, premium source, ensuring maximum absorption and efficacy.

While the magnesium dosage remains the same, this reformulation increases support for muscle relaxation, recovery, and sleep quality, meeting the demands of athletes and active individuals striving for peak performance.

ZMX² uses only naturally-derived rice flour, bran and concentrate to bind the nutrients in a Vegan Capsule to ensure that you are getting none of the typical excipients found in other products. Gluten-Free and Vegan; ZMX² is a product you can feel good about.

Supplement Facts

Serving Size 3 capsules for Men / 2 capsules for Women
 Servings Per Container 30 for Men / 45 for Women
